

Connecting MapStar 9 to Satloc Cloud

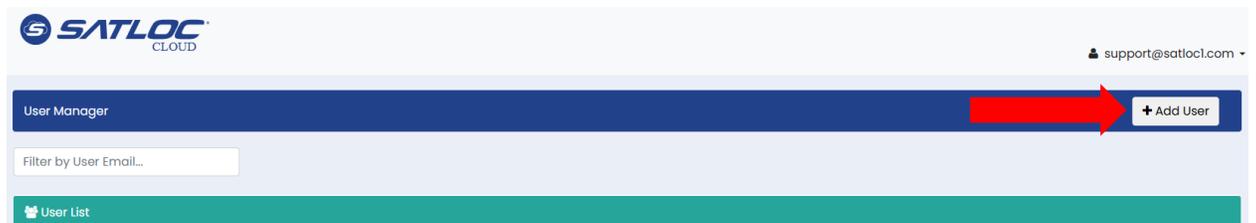

1. Open up the Cloud dashboard.

2. Click 'Users.'

3. Click 'Add User.'

4. Select 'Vendor' circle.
- Type in the vendor's email address.
 - Create a Password.
 - Confirm Password.
 - Click 'Register.'

Register a User X

User Vendor Admin

vendor3@outsidecompany.com

.....

.....

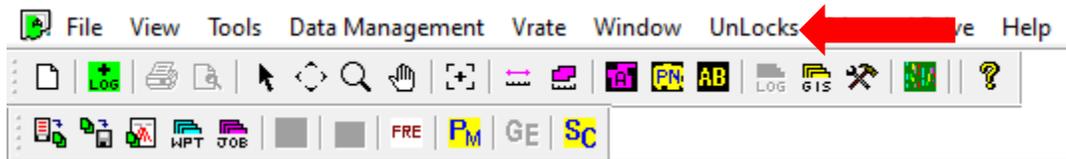

Register

5. Verify the vendor email address is added to the list of registered users.

Email	User Type
admin@satloc.com	Company Admin
support@satloc1.com	Company Admin
test@satloc.com	Company Admin
vendor1@outsidecompany.com	Vendor

6. Open MapStar 9.

7. Click 'Unlocks' tab.

8. In the dropdown menu, select '1: Satloc Cloud Fleet Management.'

9. Enter the unlock code from Satloc. (A subscription is required for this unlock code.)

- Click 'Accept UnLock' once the code is entered.

10. Click the 'SC' (Satloc Cloud) button.
